1. Getting Started

Installing the App

The Worship Works app is distributed as an APK file for Android devices. To install:

- Download the APK file (Worship-Works.apk) from your admin or from the shared link.
- Open the file on your phone. Android will warn that the app is from an unknown source - tap 'Install anyway'.
- Once installed, tap the 'Worship Works' icon on your home screen to open the app.

Creating Your Account

When you first open the app you will see the sign-in screen. Tap 'New here? Create an account' and fill in:

- **e.g.** Church name
- **provided by your admin** Church access code
- **as it will appear to others** Full name
- Email and password
- **month and day only** Birthday
- **optional** Anniversary

If you are the first person to create an account for your church, you will automatically become the admin.

Signing In

Enter your email and password on the sign-in screen. If you forget your password, tap 'Forgot password?' to receive a reset link by email.

2. Understanding Roles

Worship Works has two roles: Admin and Member. Admins have extra powers to manage the church team. The table below shows what each role can do:

Feature	Member	Admin
View setlists, songs, schedule, roster	Yes	Yes
Create / edit setlists	Yes	Yes
Delete setlists	---	Yes
Upload songs, attach files, add links	---	Yes
Delete songs	---	Yes
Send chat messages	Yes	Yes
Attach files / delete chat messages	---	Yes
Create / edit / delete events	---	Yes
Create / edit / delete duty rosters	---	Yes
Manage member directory	---	Yes
Promote / demote admins	---	Yes
Change church access code	---	Yes
Edit members' birthdays	---	Yes
Change own name & password	Yes	Yes
Change app theme	Yes	Yes

Admin tip: You can change anyone's role from the 'Admins' menu. The founding administrator is protected from demotion.

3. Navigation Overview

Bottom Tabs (Mobile)

Five tabs sit at the bottom of the screen:

- Setlist
- Songs
- Chat
- Schedule
- Roster

The Menu (Hamburger Button)

Tap the three-line menu icon in the top-right corner to access:

- Your name (profile settings)
- Birthdays & Anniversaries
- Groups (switch or create a church group)
- Appearance (change the colour theme)
- Sign out / Exit app

Admins also see 'Members' and 'Admins' in the menu.

4. Home / Setlists

The Setlist tab is your landing page. It shows all setlists for your church, split into 'Upcoming' and 'Past'.

What you can do

- Tap a setlist card to view its full details (songs, keys, sections).
- Tap the pencil icon to edit any setlist (members can edit too).
- Admins: tap the + button to create a new setlist.
- Admins: tap the trash icon to delete a setlist.

Creating a Setlist

Tap the + button. Choose a date, pick 'Sunday Service' or 'Other', then add songs into Praise and Worship sections. Each song entry has a name, key, and optional tempo. Tap 'Create setlist' when done.

5. Songs Library

The Songs tab shows every song uploaded for your church. Use the search bar to filter by title or artist.

For Members

- Tap any song to see full details: title, artist, key, notes/lyrics, and any attached file.
- If an admin has added a link (YouTube, Google Drive), tap 'Open Link' to view it.
- If a file (PDF or audio) is attached, tap 'Download' to save or share it.

For Admins

- Tap the + button to upload a new song (title, artist, key, notes, optional link, optional file).
- Tap the trash icon on any song card to delete it.
- In Song Detail, tap 'Add link' to attach a YouTube or Drive URL for members.

6. Group Chat

The Chat tab is a real-time group conversation for your entire church team. Everyone can read and send messages.

For All Users

- Type a message and tap the arrow button to send.
- Tap any link in a message to open it in your browser.
- Tap any file attachment card to download or open it.

For Admins Only

- Tap the + button to attach a file (PDF, image, audio, or video).
- Long-press any message to delete it (and its attachment, if any).

The chat keeps the 200 most recent messages. Older messages are not stored.

7. Schedule (Events)

The Schedule tab shows all upcoming and past events. Events are colour-coded by type: Rehearsal (green), Service (purple), Other (grey).

12:00	Schedule
Upcoming	
[14] Sep Sunday Service	
10:00-12:00 Main Hall	
[18] Sep Rehearsal	
18:00-20:00 Studio	
Earlier	
[5] Sep Band Practice	

For Members

- Browse events to see what's coming up. The date, time, location, and notes are shown on each card.
- A banner at the top shows any birthdays or anniversaries this month.

For Admins

- Tap the + button to create a new event (title, type, date, start/end time, location, notes).
- Tap the pencil icon to edit an existing event.
- Tap the trash icon to delete an event.

When a new event is created, all team members receive a push notification.

8. Duty Roster

The Roster tab shows monthly duty rosters. Use the arrows at the top to navigate between months.

For Members

- Tap a roster card to expand and see who is on duty: lead singer, other singers, and each band position.
- Your own name is highlighted with '(you)' so you can find yourself quickly.

For Admins

- Tap the + button to create a new duty roster for a date.
- Select a lead singer, up to 10 additional singers, and fill each band slot from the member directory.
- You can also type in a name not in the directory if needed.
- Tap the pencil icon to edit an existing roster; tap the trash icon to delete it.

Singers are capped at 10 plus a lead singer per roster entry.

9. Admin Features

These screens are only accessible to admins through the menu (hamburger button).

Member Directory (Menu > Members)

This is your church's roster of team members. It is the source list used when creating duty rosters.

- Add a member: enter name, choose a section (Singer, Drummer, Bass, Keyboard, Guitar, Other), and if 'Other' is chosen, enter the instrument name.
- Tap any member row to edit their name, section, or instrument.
- Tap the trash icon to remove a member.

Admin Access (Menu > Admins)

Control who has admin privileges in your church.

- Tap any user row to toggle them between Admin and Member.
- You cannot change your own role from this screen.

The founding administrator is protected from demotion.

Church Setup (Home Banner)

If your account is not yet connected to a church group, a banner appears on the home screen. Tap it to:

- Enter your church name and access code to connect.
- All your existing data (songs, events, rosters, messages) is automatically migrated into the new church group.
- Once connected, you can manage the access code from your Profile.

10. Profile & Settings

My Name (Menu > Your Name)

From the menu, tap your name to open your profile:

- **this appears next to your chat messages.** Edit your display name
- **a reset email is sent to your inbox.** Change password
- **your email address is shown.** Signed in as:

Admins also see the 'Church access code' card here, where you can update the code that new members must use to join.

Appearance (Menu > Appearance)

Choose from six colour themes:

- **(light)** Violet Vibe
- **(dark)** Purple Dusk
- **(light)** Sunrise
- **(dark)** Ember Night
- **(light)** Ocean
- **(dark)** Deep Ocean

Your choice is saved on your device and applied instantly.

Sign Out / Exit

Tap 'Sign out' in the menu to log out. On mobile, 'Exit app' closes the application completely.

11. Birthdays & Anniversaries

Accessed from the menu, this screen shows a full calendar month with coloured dots marking members' birthdays and anniversaries.

How to Use

- Navigate months with the arrows at the top.
- Tap any date to see who has a birthday or anniversary on that day.
- Tap 'This month' to jump back to the current month.

For Admins

- Tap the pencil icon on any member's card to edit their birthday or anniversary date.
- Use 'Remove birthday' or 'Remove anniversary' to clear a date.

12. Groups

From the menu, tap 'Groups' to manage which church group your account belongs to.

Join an Existing Group

- Enter the group name and access code provided by your admin.
- Your account will switch to that church. All data in the app changes to show that group's songs, events, and rosters.

Create a New Group

- Enter a group name and set a new access code.
- You become the admin of the new group automatically.
- Share the access code with your team so they can join.

If you are already part of a group, you can leave it and join another from this screen.

13. Themes

Worship Works comes with six built-in colour themes. Your choice changes the header gradient, card backgrounds, accent colours, and more across the entire app.

Theme	Mode	Look	Best For
Violet Vibe	Light	Purple gradient, white cards	Best for: bright rooms
Purple Dusk	Dark	Deep purple gradient, dark cards	Best for: low-light practice
Sunrise	Light	Pink-orange gradient, white cards	Best for: morning services
Ember Night	Dark	Red-black gradient, dark cards	Best for: evening events
Ocean	Light	Blue gradient, white cards	Best for: clean, calm look
Deep Ocean	Dark	Navy-blue gradient, dark cards	Best for: night mode
